*My pussy was wet in the saddle,
and ready to get ridden.*

CHERRY, IAN & CHRIS

“I love the rodeo,” says **Cherry**. “Watching those boys ride the wild bulls is so exciting. I like to pretend that I’m a cowgirl when I’m sitting on a hard, straining dick. The idea is to see how hard I can get off before the ride is over.” Asked how our “cowgirl” felt about riding two slabs of wood at the same time, Cherry welcomed the challenge. “These boys are certainly hung like horses, but I’m always game for a roundup of double-penetration. So bring it on.”

The Wild West romp lived up to all of our expectations as Cherry went the distance, taking grade-A beef in her pussy and backdoor before being showered in a double-dose of jizz. Giddy-yap!

'Ladies night' took on a whole new meaning when these two insatiable gal pals got together for a play date...

MIA & RAVEN

Dark-haired diva **Raven Rockette** has got a sizzling snatch with a little something extra—her foxy fuckhole has a pelt. Blonde bush-eater **Mia** just happens to like a little fur on her furburger—a little. She moves into prime position behind Raven's beautiful butt and grabs it with two hands and slurps. She drinks deeply from Raven's deep-pink well, motorboating her swollen clit with her lips. Mia brings her close to orgasm and then backs off. There's a tight, curly black hair on her tongue. She pulls it out of her mouth and goes back to her poon. Mia straddles Raven's head and has a seat, resting her hairless twat on Raven's mouth. Seconds later, her pussy convulses with a powerful orgasm.

TASHA REIGN

STARRING: ANDY SAN DIMAS, BRANDY ANISTON, CHANEL PRESTON, KIMBERLY KANE, LEXI BELLE AND TASHA REIGN WITH ALEC KNIGHT, DERRICK PIERCE, ERIC MASTERSON AND STEVEN ST. CROIX **DIRECTOR:** DAVID LORD **STUDIO:** SWEET MESS FILMS/EXQUISITE

In a not-so-distant but oh-so-terrible future, California has outlawed porn. Our Walter in this sleazy rip-off of the hugely popular TV show, *Breaking Bad XXX*, is a filmmaking teacher. His brother-in-law is a vice cop and brings him along on a porn set bust—a little something for his 40th birthday, just to cheer up the old boy.

Parody Walter is also a cancer survivor and the disease has caused him trouble with his hard-on. He pleads with his doctor for some meds, but doc says they [the pills] were outlawed along with porn. While Wal-

ter is clearly interested in nurse Tasha Reign's bulging bustline, even it won't get him hard. He's truly a case for this medical professional, who takes the care right out of healthcare. Almost shooing Walt away, we see that as soon as the doctor runs him out of the office he's running his hands all over the curvy medical assistant, giving her all his cum-passion.

He takes her temperature by shoving his cock in her mouth, and then continues the physical by fucking her shaved twat on the desk as she squeals in approval at the doctor's enlightening medical techniques. She learns so much!

His cock probing her from every angle, it's clear that she is in excellent physical condition, but he continues his inspection. Still, the doc prescribes some special medicine, which he has hidden in his cock and then squeezes out onto her breasts. She rubs it in and then puts his cock in her mouth for quicker oral relief. This is the kind of personal attention rarely seen in medical care today.

The buffoonish do-gooder of a brother-in-law is played brilliantly by James Bartho-

What's Up Doc:

let. For Walter's birthday he takes him on a porn-shoot bust. Chanel Preston and Derrick Pierce play porn stars and they couldn't be more realistic at showing him how one successfully bangs a chick up the ass.

Derrick is the pizza guy and Chanel the French maid, two occupations that when mixed have always broke out into porn scenes. The pizza box is discarded before it's opened and soon Derrick is delivering orgasms to the brunette sexpot, first with a finger-and-tongue combo, then with an order of sausage that threatens to turn her pussy into hamburger. Before Johnny Law can bust in and spoil the fun, Derrick gives her one free topping splashed right into her mouth.

Walt runs into Jessie (Brandy Aniston), his former student and soon-to-be-partner, on the set. She tells Hank that before arresting her maybe he should pull up the governor's number from her cell phone. He does and she is told to get out using the back door. Walt sees her model release—which has her phone number and address—and takes a photo with his phone. He has a business idea and shows up at Jessie's to share it later. Jessie has something to share, too—a little blue pill and more if he wants it. Citing nuptial loyalty, he takes the pill and runs home to his wife (Kimberly Kane).

After years in a sexless relationship, Kimberly is very pleasantly surprised and obviously hasn't lost her cock-sucking talent over the years. He has no trouble keeping it up, plowing into his wife's hairy gash as they both unleash years of pent-up sexual frustration. The years melt away from Kimberly as she rediscovers her sexuality, at first happy to lie back and let him pound her, but eventually she is getting fucked just like her young self, her wetness making it easier to break the seal that had been allowed to reform on her Mrs. beaver. She recognizes her husband's need to cum and having only dreamed of it for so long, she rushes to swallow his gushes. "Oh, wow!" she eeks out between swallows, having forgotten what it's like to have man-goo fill her mouth. "How many of those pills can you get?" she asks once she's caught her breath.

Walt's plan for his former student is to relieve California of its barbaric anti-porn laws by setting up a threesome starring Brandy, pal Lexi Belle, and the governor (Steven St. Croix). It's easy to pull off—these two beauties fighting over your cock is enough to lure any guy into serious trouble. He is in deep even before Lexi sits on his face while Brandy goes at his cock in double-time, Lexi completing the circle by reaching over and fingering Brandy's dripping, wet hole.

French maid Chanel Preston takes a load of dick cheese to the face and chest by follically challenged pizza delivery man Derrick Pierce.

*Once limp-dicked, a little blue pill transforms
Walter's pecker into a formidable battering ram.*

That politician's wang is soon in her pussy and Brandy doesn't appear to be acting, considering how serious she seems to be taking her session. That little squealer Lexi is so anxious to get in on it that she moves in behind, watching, massaging his balls, licking Brandy's ass, her girlish enthusiasm burning through as she dreams of one more cock entering her young body.

She doesn't have to wait long and her deep, quick breaths threaten to suck all the air out of the room. Brandy gets her fingers below the Lexi fuzz, playing with her clit and we have two happy starlets getting banged by Gov. Anti-Porn. The little grinder Lexi seems to be almost suspended in mid-air as the cock pounds her and Brandy's hand keeps her pussy clenching as she cums. The girls switch roles

and holes a few times, and director Walt gets his money shot perfect, a white rainbow that goes mostly into Lexi's mouth and then is shared with her busty co-star.

It's a dirty double-cross that Brandy has played on her boy-toy governor, but it pans out and porn again is legal. Brandy celebrates by doing a scene with redheaded, small-breasted, and horny-as-ever Andy San Dimas. While there might be plenty to be said for the thrill of living outside the law, there renewed legality doesn't appear to take any of the steam out of this matchup and the girls are delighted as they figure out how to coax orgasms out of each other. A happy ending, just like porn is supposed to have. And you know who's working behind the camera now?

Anti-porn gov Steven St. Croix buries his bone in constituents Brandy Aniston and Lexi Belle's holes.

MARIA, ALEXA & JAMES

Work was hectic—I needed to hire an assistant. And since a secretary is the “face” of your business, I needed to see how each applicant looked on the business end of a coat of ball grease. **Alexa** showed first. The blonde hottie pulled my clothes off and gave me a deep, invigorating suckjob, cupping my balls in her hand, drawing the jizz up my shaft. She straddled me, sliding down every inch of me. **Maria** arrived next. She spread her think rump and began thumping it against my face. I clutched her hips and shoved my tongue inside her puckered pink butthole. My balls tightened and I watched my steamy chowder slide down their lips. With so many interviews left, I was going to need to hire an assistant in order to hire an assistant. And probably an assistant for her too.

Jenner's cock is an early riser, and that means morning wood is always on Kodi's breakfast menu...

KODI & JENNER

33557

The sun was barely up when **Kodi** happened upon **Jenner** in the kitchen. The blonde tart's frilly sleepwear caught Jenner's eye and put a rise in his jeans. Believing that there is nothing hotter than filling your holes with straining sausage before the morning meal, Kodi unleashed the stiffy from its confines and wrapped her sweet lips around the cherry tip. Making use of their extensive counter space, Jenner mounted Kodi and pierced her tender pussy walls with his cock like a hot knife through butter. Realizing they were out of coffee, the best Jenner could do for a second course was serve his lady a heavy dose of cream.

Even after hours, this sexy brunette's backdoor is open for business...

CLARISSA & ZEN

After a girl has tended her own secret garden long enough, she knows exactly what it takes to coax an O into bloom. In **Clarissa's** case, she discovered that she'd much rather have a rake root around in her rosebud than in her orchid. At first her lover Zen didn't get it – what she craved was for him to plant his wood inside her ass and pass her puss altogether. She eventually enlightened him by having loud, intense climaxes only when he plowed her back field. Once he caught on he could hardly believe his luck. An incredible, arousing woman who is only into anal...it was as if his most private prayers had finally been answered. Now bonded by the bliss of complete understanding, Clarissa and Zen have achieved a sort of naughty nirvana. He plunges himself balls deep into her behind while she shudders orgasmically, withdrawing only when he feels the need to seed.

INTERVIEW BY EMMA EDWARDS

NATALIA STARR

This sexy, Polish vixen is a hardcore star on the rise, and the all-natural beauty is out to prove that she's ready for the big time.

What attracted you to the adult industry?

My sister, Natasha Starr, was already in the industry for about one year before I decided to join. I found the industry to be fascinating, and I loved all the attention she was getting. I wanted some of that for myself, and I couldn't wait to be a part of that, too.

So far, are you glad that you made the leap into porn?
Yes, I love it! It's been a wonderful experience.

With whom have you had the pleasure of working?
I've been spoiled. I've had the opportunity to work with so many different people. Luckily, I haven't had any bad porn experiences. Actually, my first lesbian sex scene was in porn.

Wow! Who was the lucky lady?
I worked with the beautiful, Brett Rossi. She showed me the exact way to please a woman, since I really didn't have any prior experience—she was my first. The scene surprised me, [and] she really turned me on. Before then, I didn't realize that I could have sexual feelings for a woman.

Prior to porn, you had zero experience with women?

Well, not zero. I made out with a few girls and touched a few pairs of breasts, but nothing further than second base. I had never gone all the way with a girl before Brett.

According to Brett Rossi, how was your pussy eating skills?
She liked it! That girl was definitely not complaining!

What about you? Did it make you feel strange to have a woman going down on you?

No, not really. It felt the same. There really wasn't a clear difference between a man or a woman going down on me. What I can say is that I really liked it.

After having been with women, what would you say is your favorite position?

Sixty-nine! I simply love the taste, feel, and look of two women eating vagina at the same time. That is so hot!

With whom did you perform your first boy/girl sex scene?

My first boy/girl sex scene was with Marco Banderas. He was great. I got to play the part of a cheerleader. I was so hyper, excited, and really got into character. Actually, nobody on set knew it was my first scene. Everybody was shocked, and said I was a natural. I just said, 'Hey, I have had sex before.' (laughing)

What are some major differences between porn sex and personal sex?

There aren't any big differences. You just have to open up a bit more, so that the camera can see all the good stuff. You also have to learn how to find the light and know your attractive angles.

How many people had you fucked prior to your first scene?

I was always in a relationship, so there wasn't much opportunity for me to get with too many guys. There were a few encounters, but not too many. I plan on changing that.

After having your first taste of pussy, and several bites thereafter, would you consider yourself bisexual?

No, I would consider myself bi-curious. Although I love women, I couldn't see myself in a relationship with one. Don't get me wrong, I love fondling a woman's body. I go crazy for women's asses, titties, and the taste of pussy. Women taste so fucking good.

How did your friends react to your career choice?

They weren't surprised. They knew it was only a matter of time before I dove into porn. I've always been very open and honest with my friends. Thankfully, they are the type of people that will stand behind me and support my choices.

What about your ex-boyfriends, how did they react?

A week before I bought my ticket to leave New York and come to Los Angeles to meet with my agent, I talked with my boyfriend—[my] ex-boyfriend now—about my decision. Again, I was honest with him from the start. I knew he wasn't going to be all right with it, so I broke things off with him. I said, 'This is my decision. This is what I'm going to do.' I pretty much said, 'sayonara!'

What are the advantages of being a teenage porn star?

Right now, the porn industry likes the young girl look and girls with natural breasts. Luckily, I have both. Audiences seem to like either the young girl look or the MILFs. The space in between is a bit grey. Since I am so new, so cute and so young, it seems like the porn world can't get enough of me. Actually, I can't get enough of them either.

Have you found that there are also disadvantages of being a teenage porn star?

Some people feel that they can take advantage of young girls since they lack experience. They may ask you to add on other tasks for your scenes, even though you weren't technically booked for it. They also try to play around with our rates, and see what else they can get for free. This is why I love the agency I am affiliated with. If there

is ever a question, or I feel weird or uncertain about a situation—I can call them up and they will explain everything to me, or fix the problem. My agency has my back. I may be young, but I am not naive like some of the other performers that are my same age.

Before porn, please describe the wildest sexual experience you ever had.

I once had threeway sex with my best friend and her boyfriend. I only kissed and fondled her—nothing too crazy. However, we did end up sharing him. It was a great time. It all started because I heard them having sex in the corner of the room, and it turned me on. I asked if I could join them and they said, 'Yes.' They made me so horny. That was a hot experience.

Are there performers that you greatly admired?

I admire Jenna Jameson. She's turned a sex career into something much greater. She's also an outstanding business woman and has really boosted herself up. Now, she's a household name. Even if you aren't a porn fan, you know the name: Jenna Jameson. You have to admire a woman like that.

Of the performers who are still active, which ones would you enjoy working with?

I'd love to work with Asa Akira, Alexis Texas, and Allie Haze. I'm in love with Allie. She's such a stand out performer. Actually, I haven't really been booked with the top porn talent yet. Instead, my agency has been booking me with girls that are on my same level. I guess I have to work my way up.

What about male performers? Who are you dying to work with?

I would absolutely love the opportunity to work with Manuel Ferrara. He is so sexy, and, the man has a great-looking penis. I've never worked with him, and have never met him. I just know his face, his body, and his reputation. He's so hot! He's on the top of my list! I want his dick so badly right now.

What are some of your guilty pleasures?

I love watching the sitcom, "The Big Bang Theory." I could watch that show any time, any place. Watching that show is one of my favorite things to do. Really, the show is hilarious!

Do you have any secret porn crushes?

James Deen. You can put him on my list, too. He's a sexy white boy. James Deen is my next victim. The way I see it—it's only a matter of time.

What separates you from other starlets?

My personality is unique. I'm very quirky and have a funny personality. I am happy and full of life. I think that my playful-ness puts people at ease. My quirkiness would definitely be one quality that would separate me from the pack.

Please describe your ideal type of woman?

I love rare Spanish girls that have colored eyes, big butts, fat titties, small bodies, and dark skin. Emmy Reyes is a Spanish girl in the industry that turns me on. She doesn't have the colored eyes, but she has everything else. Selena Rose would be another solid example of the type of girl I like. Funny, the look that turns me on is the exact opposite of what I am. I'm a tall blonde who loves short brunettes.

And what about men? What type of men make you wet?

Any man that looks like Manuel Ferrara will turn me on. I love dark features. In fact, I'm not really into blondes with blue eyes. Also, I love a man with a little meat on their bones and a big dick!

How does it make you feel to know that people around the world are having sex to your movies and with your image?

It makes me feel so hot and powerful. Really, the thought turns me on more than you can even imagine. I possess the power to excite people and make them cum. Really, what is better than that?

What is a surprise fact about you that might not be common knowledge?

I'm kind of crude and gassy, like a boy. I burp and fart all the time. I'm not very polished.

What is your favorite type of sex?

Any sex that makes me cum is good sex. I like to start things off slow and passionately and have it lead to really aggressive sex. I love hugging, kissing and smashing our bodies together.

When is your preferred time to have sex— morning, noon or night?

I enjoy fucking in the afternoon. Daytime fucking is hot! Afterwards, I can roll over and take a nap.

Do you have any parting words for your fans?

Stay tuned. I'm not going anywhere!

Karlo can't get enough of Bridgette's funbags—and she's always ready and willing for a play date...

BRIDGETTE & KARLO

“I don’t mean to tease, but this dress is bursting at the seams. I mean, look—you can plainly see my nipple peeking through,” Bridgette tells Karlo, while pulling down her flimsy dress. Taking out the rock-hard bulge that was busting out of his pants, Karlo begins to stroke his cock, watching as Bridgette plays with her pendulous pillows. Moving on the ground, she teases her boy toy more when she grabs the mast with her hands—letting it milk between her two tits. His heavy breathing grows more palpable, and when he can’t take it anymore, he pulls back, while she immediately gets to her knees. Getting Bridgette back for her cock play, Karlo lightly grazes her burgeoning clit with his heavy-headed rod and once she slams her ass back, he slides in—filling her up with his man-meat until droplets of her cooze cream drench his staff. Pumping harder and faster inside Bridgette, Karlo’s cock grows larger, and once she reaches around to tickle his balls—he bursts—spraying her ass with splashes of his seed. “See what you do to me?” he musters, licking the back of her ear. “You’re such a dirty, little tease—and I love it.”

CINDY, DEBBIE & DAVE

31958

Debbie and her co-worker/paramour, **Cindy**, were planning an after-five tryst. They dimmed the lights, tossed their clothes aside and saddled up for some mutual pussy licking as they had the office all to themselves...or so they thought. You can imagine their surprise, and embarrassment, when Dave from accounting walked back through the door to retrieve his cellphone. Caught red-handed, with pussy juice on their faces, the girls did the only logical thing and invited Dave to join them. With cock now added to the menu, the girls feasted on holes and pole until the D-cup duo were left panting and pasted in seed.
